Correction to: Treatment adequacy and remission of depression and anxiety disorders and quality of life in primary care older adults

Catherine Lamoureux-Lamarche¹ , Djamal Berbiche¹ and Helen-Maria Vasiliadis^{1,2*}

Correction to: Health Qual Life Outcomes (2021) 19:218

<https://doi.org/10.1186/s12955-021-01851-4>

The authors found two minor errors in the text, abstract and Table 2:

1. In the abstract and results section, “(beta: 2.83, CI 0.12; 5.79, $p=0.060$)” should instead read “(beta: 2.83, CI – 0.12; 5.79, $p=0.060$)”.
2. In Table 2 (change in HRQOL), the unadjusted beta estimate and confidence interval for small (< 3 GP) vs large clinics (≥ 3 GP) reads – 5.94 (– 11.17; 0.70). It should instead read – 5.94 (– 11.17; – 0.70).
